

“Keeping Our Father’s House”

What exactly is “Keeping Our Father’s House”? “Keeping Our Father’s House” is a five-year capital campaign started to meet the structural and maintenance needs of St. Joseph Parish buildings and grounds. Our goal is to raise enough funds over the next five years to complete the project list (on the back of this page), while still maintaining our current level of giving.

We have shown, throughout the history of St. Joseph Parish, to be successful at meeting the many challenges we have encountered. We have been blessed with beautiful buildings and grounds and entrusted with their upkeep. Together we can make St. Joseph Parish not only a vibrant faith community, but also one we could be proud of calling our home!

We have already made a good start; as of July 23 we have received \$46,825.00 in pledges and cash towards the campaign. How can you help? Take some time to reflect upon what St. Joseph Parish means to you and how you can best serve the needs of the Parish. After careful consideration please fill out the attached pledge card and mail it into the Parish Office, place into the collection basket, or bring it in to the Parish Office. All gifts will be recognized unless specified. Pledges over \$2,500.00 will be recognized in a stained glass window similar to the one located in the entrance from the Gathering Space. Consult the giving chart for more information. Keep in mind **No** gift is too **small** and all gifts are **greatly** appreciated.

If you have question or concerns please feel free to contact one these parishioners. They will be happy to talk with you.

Thank you,
