

*Rejoice, heavenly powers! Sing, choir of angels!
Exult, all creation around God's throne!
Jesus Christ, our King, is risen!*

Dear Parishioners and Guests of St. Joseph Parish,

The fact that Christ was brutally killed, did not prevent the power of the Resurrection, through His own power He jumped to a new life.

We are welcome to reflect on the suffering, death and resurrection of Christ which helps us to discover the power of rebirth, to become better and better, to conquer evil. The Resurrection of Christ is also a sign for us of the possibility to participate in eternal life to which we are all called through our Baptism. We play in the life of credits that leads us to participation in the Resurrection to obtain a better life.

Dear friends in Christ let the renewal that comes along with spring, come into our homes, schools, offices and agencies. Blessed be the starting point for strengthening our spiritual forces.

May the power and gentle love of the Risen Christ embrace you, your families and all people of good will.

Happy and Blessed Easter!
